

COMMONWEALTH SECONDARY SCHOOL
Nurturing Champions of Today and Leaders of Tomorrow

14 Aug 2017

Dear Parents/Guardians of Sec 1 to 3 Students,

INFORMATION ON ACCESS TO STUDENT LEARNING SPACE

1. In CWSS, we believe in helping every child find joy in learning and using technology to empower our children to learn better. We leverage on technology to enable learning beyond the confines of the school and support diverse and innovative ways of working, expressing, and building.

HOW SLS SUPPORTS STUDENTS' LEARNING

2. As part of Ministry of Education's (MOE) commitment to nurture future-ready learners, an online learning platform known as the ***Student Learning Space (SLS)*** has been developed by MOE in collaboration with students and teachers. It provides all students across schools with quality curriculum-aligned resources and teaching and learning tools.

3. Teachers will also use the teaching and learning tools in SLS to design lessons for students to explore and work collaboratively as well as facilitate students to learn at their own pace and be responsible for their learning.

SYSTEM TRIAL

4. Our school has been selected to pilot the use of the Base System of SLS. As one of the SLS Pilot Schools, we would be able to give feedback to refine the system to ensure that it meets the needs of our students. We are pleased to inform you that your child will be trying out the Base System of SLS between July and November 2017.

5. During this period, your child can access SLS to complement his learning of various subject areas at their own pace. Some teachers in the school may also use the system for teaching in class. More resources and features will be added to the Base System over time. During the trial period, feedback will be obtained from both teachers and students on the resources, tools and user experience.

ACCESS TO STUDENT LEARNING SPACE

6. SLS can be accessed from <https://learning.moe.edu.sg>. The username and the password will be given to your child separately via his cwss email. For technical assistance, your child may contact SLS Helpdesk at helpdesk@sls.ufinity.com or 6702 6513.

We look forward to your support. Let us work together to support your child's learning.

Thank You
Mr Aaron Loh
Principal
