Dear Parent/Guardian,

**Upgrade of school's chosen device for PDLP**

We have earlier informed you that arrangements will be made for you to purchase **Lenovo Flex 3** for your child's/ward's use in school.

However, due to Covid situation, there are severe shortage to computer parts worldwide and it has greatly affected the production of Lenovo Flex 3. Hence, the vendor has offered to **upgrade** the school's chosen device Lenovo Flex 3 to **Lenovo 300e 2<sup>nd</sup> gen at no change in price.**

The differences in technical specifications for Lenovo Flex 3 and Lenovo 300e are indicated below for your comparison.

	Lenovo 300e Notebook	Lenovo Flex 3 Notebook
CPU	Intel Celeron N4120 quad core processor	Intel Celeron N4020 duo core processor
weight	1.3 kg	1.2 kg

Lenovo 300e devices are estimated to be shipped to Singapore in Apr/May 2021. School will inform parents/students on the actual handover date.

Please contact Mrs Wong Sok Foon, HOD ICT at [wong.sokfoon@cwss.moe.edu.sg](mailto:wong.sokfoon@cwss.moe.edu.sg) by 15 Feb 2021 if you do NOT wish to accept Lenovo 300e as the replacement product.

Thank you.

Yours sincerely,
