25 Oct Fri	0730 - 1230	Trailblazer Festival and Return of Progress Report In this interclass car racing competition, students will exercise their creativity and problem solving skills as they seek to build the most durable and fastest life-sized car from pipes and cardboards to emerge victorious.

COMMONWEALTH SECONDARY SCHOOL
Nurturing Champions of Today and Leaders of Tomorrow

2. 2019 has been a fruitful year for Commonwealthians. Our students are discovering meaningful causes to champion, learning more effectively through assessment feedback instead of assessment scores, expressing themselves more confidently in class, creating new ideas, products and services via Design Thinking and Maker Education, and achieving very good outcomes in their areas of passion, such as CCA, academics and service.

3. Thank you for your support in working closely with us this year to find the champion in your child. We will continue to provide more opportunities for our students to learn for life in 2020.

Yours sincerely

Mr Ng Boon Kiat
Principal
